Online Course Information

Online and hybrid courses may be identified as such if the following prefixes are added to course titles:

ONS (Online-Synchronous): Online course requiring instructors and students to be online at the same time for portions of the course.

ONA (Online-Asynchronous): Online course with no requirements for students to meet with the instructor/other learners at specific times online. All times listed are CENTRAL time zone.

HYS (Hybrid-Synchronous): A hybrid course including some level of in-person class or lab participation as well as a required time for instructors and students to be online at the same time for portions of the course.

HYA (Hybrid-Asynchronous): A hybrid class including some level of in-person class or lab participation, but no requirement for instructors and students to be online at the same time for the online portion of the course. All times listed are CENTRAL time zone.
